

# Meet Walter Bond

*For nearly a decade, Walter Bond has been helping people turn self-limiting beliefs into self empowering strategies.*

Walter Bond is called “Mr. Accountability” because he forces each one of his listeners to learn to be responsible for whatever the situation they are in. Through his keynotes, workshops, books and CDs, he travels the world teaching that personal accountability, confidence, and success are possible for all who desire it; from frontline personnel to the CEO. Walter reveals how to harness the power of accountability and become a rock star of your industry.

A former NBA athlete, Walter rose from being a reserve player coming off the bench to become the first rookie-free agent to start for the Dallas Mavericks. This astonishing journey provides the foundation for the principles he teaches to help empower people in their own personal journey. Today he is recognized as one of the world’s preeminent experts on sales, motivation and leadership. Walter has impacted hundreds of thousands of people in his rapid rise to the top of the speaking industry.

Walter will captivate your audience through his unique and memorable personal stories, teaching them the lessons learned from his in-the-trenches experience in selling, as an entrepreneur, and being a team player. He will help your people see how they can transform challenges into opportunities, obstacles into testimonies, and success is a matter of personal choice.

Walter’s presentations are an experience that audiences have enjoyed world-wide and never forget. These dynamic and compelling programs provide both the motivation and the strategies to excel in business and in life.
